

Cookie Policy relating to websites operated by NTPS PLC

1. Websites operated by NTPS PLC (National Toll Payment Services PLC):

- 1.1. Website 1: <https://hu-go.hu/>
- 1.2. Website 2: <https://ematrica.nemzetiutdij.hu/>
- 1.3. Website 3: <https://nemzetiutdij.hu/>

By website or websites, this Policy refers to the Websites operated by NTPS PLC as specified above.

2. General information on cookies

- 2.1. Cookies are small text files stored by the websites on the computers or mobile devices of visiting users.
- 2.2. Using the cookies, the Website remembers (for a specific period) your actions, operations and personal settings (e.g. the username, language preference, along with other individual settings for website appearance and display), meaning you do not set these every time you visit the Website or click over from one page to another.
- 2.3. Certain cookies are used by the Websites themselves and are called first-party cookies. Information collected by first-party cookies can only be processed and utilised by the given website. At the same time, websites may also use third-party services that use their own cookies. These are called third-party cookies.
- 2.4. The websites of NTPS PLC use cookies essential for website operation as well as functional cookies. The type, expiration, level and source (first or third-party) as well as the purpose of these cookies are **shown in Annex 1** to this Policy.
- 2.5. The Websites do not use web beacons.

3. Blocking cookies

You, as user of the Website, have the option of deleting cookies at any time before expiration or block them in your web browser (e.g. Google Chrome, Internet Explorer, Mozilla Firefox, etc.). The various web browser providers give detailed guidance in this respect. Further information is available in the web browser settings, typically in the Help or Support menus.

At this point, we wish to call your attention, as a user visiting the Websites, that deleting, disabling or blocking cookies may hinder the appropriate operation of the Websites.

4. Data processing information pertaining to the management of cookies

- 4.1. **Data Controller:** NTPS PLC (National Toll Payment Services PLC)
- 4.2. **Contact details of the Data Controller:** Postal address: 1380 Budapest, Pf.:1170; Email address: ugyfel@nemzetiutdij.hu.
- 4.3. **Contact details of the Data Controller's Data Protection Officer:** the postal address and mailing address are the same as the address of the Data Controller. Email address: dpo@nemzetiutdij.hu.
- 4.4. **The purpose of data processing:** The purpose of data processing using cookies is to ensure the functionality of the Websites and to enhance user experience.
- 4.5. **Legal basis for data processing:** The legal basis for data processing is the consent granted by the user visiting the Website.
- 4.6. **Duration of data processing:** The duration of the use and expiration of the cookies are specified in Annex 1.
- 4.7. **Name and contact details of the Data Processor:** Google Inc., Amphitheatre Parkway, Mountain View, CA 94043, United States of America,
- 4.8. **User rights relating to data processing and the enforcement of such rights:**

You, as the user visiting the Website, have the following rights:

- the right of access (you are entitled to receive information on the processing of your data);
- the right to rectification and erasure;
- the right to data portability;
- the right to restriction of processing;
- the right to revoke consent.

You may exercise these rights at any time, by way of a written request sent by post or electronic mail to the Data Controller or the Data Protection Officer using the contact details specified in the above Sections 4.2 and 4.3.

- 4.9. **Right to lodge complaints:** Please submit any potential complaints you may have concerning data processing to the Data Controller using the contact details above, or alternatively:
 - you may turn to the court, with information on court jurisdiction available at www.birosagok.hu;
 - you can lodge a complaint with the National Authority for Data Protection and Freedom of Information (Contact details: www.naih.hu, registered office: H-1125 Budapest, Szilágyi Erzsébet fasor 22/C).

4.10. **Data reporting:** You are not obligated to consent to the management of cookies; however, this may impact or hinder the appropriate and continuous operation of the Websites.

5. **Contact**

Should you have any questions concerning the management of cookies, please feel free to contact NTPS PLC or its Data Protection Officer, using the contact details specified above.

6. **Scope, Amendment**

NTPS PLC may amend or update this Policy at any time.

This version is dated: 29 June 2020

Annex 1: Detailed information concerning cookie types and cookie management on the Websites operated by NTPS PLC:

	Website address:	Type (name) of cookie:	Duration of use and expiration of cookie:	Level:	Source (owner):	Purpose of cookie management:
1.	nemzetiutdij.hu	CAKEPHP	Expires once the browser is closed.	Fundamental operation/essential	NTPS/ developer	These cookies allow the Websites to function more effectively and securely, and as such are essential for the appropriate operation of certain Website functions or applications.
2.	hu-go.hu	1P_JAR	1 month	Statistical	Google (Google Analytics)*	This cookie is used to gather website statistics and track conversion rates as per google.com's Privacy Policy.
3.	hu-go.hu	ANID	2 months	Marketing	Google	These cookies are used to link the user's activities on various devices in order to display personalised and more relevant advertisements as per google.com's Privacy Policy.
4.	hu-go.hu	APISID	2 years	Marketing	Google	These cookies are used to link the user's activities on various devices in order to display personalised and more relevant advertisements as per google.com's Privacy Policy.

Statistical cookies (Google Analytics) = The external server of Google Analytics helps the independent measurement and auditing of website traffic and other web analytics data. The data controller provides detailed information on the processing of measurement data at www.google-analytics.com.*

Google Analytics is Google's analytical tool that helps website and application owners to gain a better understanding of visitor activities. By using Google Analytics, website owners can gain information from Google regarding the usage of their website that can be used to analyse website traffic. You can find more details on the functions of Google Analytics cookies and the data processing related to them at: <https://developers.google.com/analytics/devguides/collection/analyticsjs/cookie-usage>

If you do not want to block every Google Analytics cookie, click on the following link to adjust and restrict data processing: <https://policies.google.com/technologies/cookies>
